Describe your experience and background that is relevant to serving on the board of the Morro Bay Open Space Alliance.

What do you think is the most important function that open space serves in a community?

Do you have any ideas in mind on what open space needs to be preserved surrounding Morro Bay?

If so, please describe.

What educational components do you feel MBOSA can provide to the community regarding an appreciation of natural places?

Please attach any additional information you feel is pertinent and send it with the application to:
